SEWING BLOCKS: Christmas Tree Block - Follow the diagram for aid in turning of pieces for sewing each block.

1. Sew a yellow QST to each long side edge of a brown strip. Sew the yellow HST to the bottom edge. Make 13 units.

2. Sew this unit to the green HST on the diagonal edge. Make 13 blocks.

SEW ROWS

3. Row 1. Sew a 9 1/2" red strip to each side edge of a tree block (A). (See diagrams below for direction of tree blocks.) Sew a red QST to each side edge. Sew a 13” red strip to the top edge then sew a red HST to this top edge. Sew a 35” red strip to the bottom edge. (B) Trim the ends of the red strips at a 45 degree angle. Make 1.
4. Row 2. Join 3 tree blocks with a 9 1/2” red strip and sew one strip on each end. Sew a red QST to each end. Sew a 57” red strip to the bottom edge. Trim ends of the long red strip at a 45 degree angle. Make 1.

5. Row 3. Join 5 tree blocks with a 9 1/2” red strip and sew a red strip on each end. Sew a red HST to each end. Sew a 57” red strip to the bottom edge. Trim ends of red strip at a 45 degree angle. Make 1.

6. Row 4. Join 3 tree blocks with a 9 1/2” red strip and sew a red strip on each end. Sew a red QST to each end. Sew a 57” red strip to the bottom edge. Trim ends of the long red strip at a 45 degree angle. Make 1.

7. Row 5. Sew a 9 1/2” red strip to each side edge of a tree block. Sew a red QST to each side edge. Sew a 13” red strip to the bottom edge then sew a red HST to this bottom edge. Trim the ends of the red strip at a 45 degree angle. Make 1.
ASSEMBLING THE QUILT:

1. Assemble the rows in order sewn above and sew together, starting with Row 1. See diagram below.

2. Sew the shorter red border strips to the side edges and the longer red border strips to the top and bottom edges.
Cut your backing. Create your quilt sandwich with the backing, batting, and quilt top and quilt as desired. Cut your binding and sew to bind your binding.

Congratulations from the Quilt Dash on completing your quilt!
